SUBJECT: UPDATED SCHEDULE FOR WASTE COLLECTION SERVICE

This letter serves to inform you about the updated schedule for waste collection in and around town. The schedule will apply as of 01 November 2021. All residents are required to take out their refuse bags or bins on or before the indicated times (refer to the attached schedule).

Residents are therefore requested to adhere to set dates and times applicable to their respective areas as indicated in the attached schedule. If schedule date and time has missed, it is advisable to keep the waste within the yard instead of putting it on the roadside until the next collection cycle.

Please note that in order to avoid nuisance, the municipality will remove all skip bins along the roadside. No illegal dumping will be tolerated due to schedule not being followed. Refuse bags will be provided to the residents paying for this service. Residents are encouraged to visit the revenue offices in order to update their details.

Further enquires on the waste collection may be directed to the Waste Management Officer Miss N.Y Nxumalo and to Miss N Xulu for billing enquiries, on the following number: 035 831 7500.

Yours Faithfully
